

Scheme Description

About the Fund

A fund that seeks to provide you regular income with an opportunity to grow your money through fixed income investments and a limited exposure to the equity markets

Investment Objective

The primary objective of the scheme is to generate regular income so as to make monthly distributions to unit holders with the secondary objective being growth of capital. Income may be generated through the receipt of coupon payments, the amortization of the discount on debt instruments, receipt of dividends or the purchase and sale of securities in the underlying portfolio. The schemes will under normal market conditions, invest its net assets primarily in fixed income securities, money market instruments, cash and cash equivalents while at the same time maintaining a small exposure to equity markets. (Monthly income is not assured and is subject to availability of distributable surplus.)

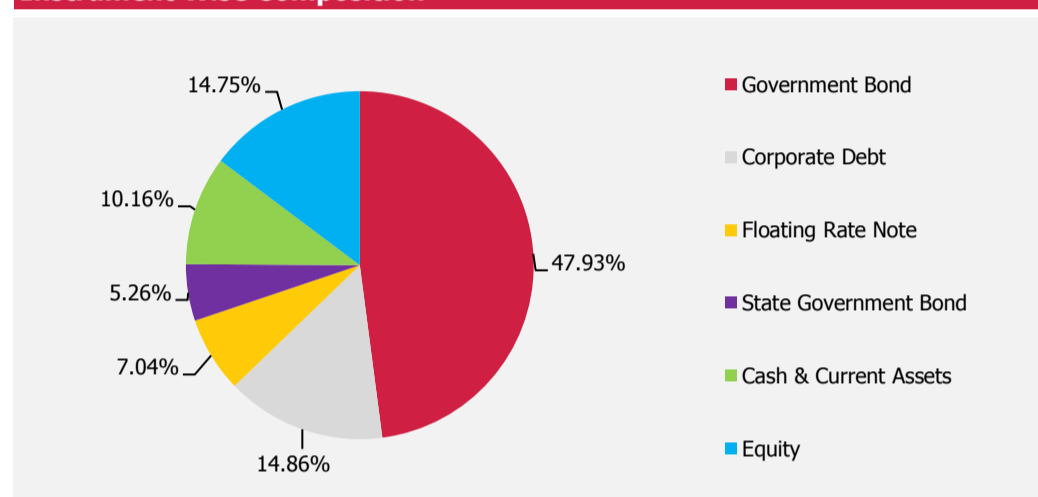

Why Birla Sun Life MIP?

The scheme endeavours to provide a stable and steady flow of income by investing in a portfolio predominantly of quality fixed income securities (upto 100%) along with capital appreciation by investing a small portion in equity(upto 15%). The scheme is suitable for a conservative, fixed income oriented investor with 2-3 years investment horizon.
